

ISLAND PACKET YACHTS

2019 STANDARD EQUIPMENT LIST

CONSTRUCTION

- One-piece integral hull and keel of 100% hand laminated high modulus knitted fiberglass infused with a proprietary pressure-fed application system. Light ivory gel coat with urethane painted boot stripe. (excluding Blue Jacket 40)
- Chainplates interlocked and bonded directly with hull structure for secure “belt-and-suspenders” installation.
- PolyClad3® hull gel system includes ten-year pro-rated limited warranty against osmotic blisters.
- Two-tone deck surfaces: light ivory with tan diamond pattern slip resistant surfaces.
- Molded fiberglass headliner with textured finish, deck with Divinycell coring.
- Coosa Board construction in lieu of plywood floor timbers.
- Optional Gel colors.

RIG/SAILS

- Roller furling Dacron main and head sails. Masthead manual Widex.
- Hoyt Boom® equipped self-vanging staysail for ease of handling, improved performance and superb adaptability to a wide range of wind and sea conditions.

COCKPIT/DECK

- Full length, ergonomically shaped cockpit seats, deep seat lockers, helm seat cushion backrest, two 2” cockpit scuppers, four harness pad eyes, engine panel adjacent to helm in covered alcove, wide coamings with bins, hot and cold shower at transom.
- Geared direct drive steering system, emergency tiller with storage brackets. Ritchie® compass with custom Island Packet nav grid, s/s wheel with Leather or dipped covering, hinged fiberglass cockpit table, provisions for remote autopilot installation, single-lever engine control with premium Glendinning® control cables, space for electronic installations (excluding Blue Jacket 40, North Star 44).
- Sliding companionway hatch with seahood, interior latch and exterior hasp and lock. Knot, depth and wind instruments mounted in seahood instrument pod. Integrally molded dodger mount on cabin top. Solid sapele drop boards with varnish finish, center drop board with fixed port and etched logo, board retaining pin, interior storage rack.
- Recessed side decks and foredeck with protective bulwarks, full length s/s cabin top handrails. Large anchor locker with overhead deck hatch, sealed bulkhead aft, drain to bilge with shutoff valve; divided rode bins with hooks for fenders/lines/gear.
- Wide integral bow platform with exclusive Island Packet designed and patented SeaSafe® anchor roller for fully captive, low-chafe chain/rode control. Quick anchor deployment and secure storage. Room for (optional) electric windlass.
- Wood or synthetic wood product for exterior. 1-1/8 Stainless steel stanchions and exterior LED blue safety lighting at gates.

INTERIOR

- Main salon with full-length settees port and starboard with ergonomically shaped, multi-density cushions covered in UltraLeather® (owners choice of color), large storage areas behind and beneath. Large drop-leaf table folds against bulkhead storage cabinet for open salon. Dove tail drawer construction. Cedar-lined hanging locker, clothes drawers, and shelves. Full-length mirror. Lighter and safer solid sapele companionway stairs.
- Solid wood for sole, drawers, trim and doors. Optional wood on interior, custom cabinet designs available.
- Solid tongue and groove varnished sapele and oak sole.
- Solid surface countertops with molded into counter solid surface sinks. Choice of colors for solid surface counter tops.
- Head compartment with separate shower stall. Clear or frosted port in head.
- SeaGull® IV water filter for fresh water (cold) at dedicated faucet at galley sink.
- Numerous overhead hatches with locking handles. Stainless steel opening ports with friction hinges, safety glass and single locking levers. Overhead hatches with retractable screens and shades throughout.
- Sapele hardwoods, veneers and coordinated surfaces for bulkheads, cabinetry and trim. Louvered raised panel cabin doors and locker doors, extensive radius corner detailing, cedar-lined lockers and drawers.
- Furniture quality satin gloss varnish applied to all interior wood surfaces in a multi-coat process.
- Numerous chrome plated interior cabin-side lights and recessed main overhead dimmable area lights, all with LED warm-white bulbs; dimmable indirect perimeter warm-white LED ambiance lighting in main salon and all cabins; courtesy lights at companionway, electrical panel and battery selector switch; LED dome lights in engine room and aft machinery areas.
- Numerous overhead and bulkhead mounted s/s handrails for safety and security. Larger locking hatches in sole for better access.

MECHANICAL/ELECTRICAL/PLUMBING

- Yanmar® diesel engine, fresh water cooled, rubber isolation mounts on reinforced fiberglass bed with integral oil pan and mechanical fuel pump. 110amp Balmar® alternator. 3-bladed fixed prop (feathering prop optional), fuel filter with water separator mounted for easy access. Jacketed fuel lines with swedged and threaded fittings, intake strainer.
- Engine access from removable front and rear panels, hinged side opening doors. Pre-plumbed for electric oil change system.
- Extensive sound-control with premium lead-lined insulation, gasketed access doors and panels.
- Mastervolt AGM 12 volt batteries dedicated to house, plus one for engine start. Momentary parallel switch in cockpit for emergency starting. Battery capacity increased for house.
- Deluxe electrical panels with separate battery switch, gauges and breakers for AC and DC systems, battery test system, indicator lights and controls for electric pumps, LPG solenoid control and battery charger.
- 30 amp dockside AC power system with ELTI ground fault inlet protection breaker and one (1) 50-foot shore power cord. Numerous outlets, all with GFCI protection.
- Fail-safe galvanic isolator and Invertor standard.
- Fuel, water and holding tanks below cabin sole maximize storage, stability and minimize trim changes with varying tank fluid levels.
- Fuel tank constructed of welded, baffled certified marine-grade aluminum (5052-H32) with shut off valve, s/s deck fill, tank mounted mechanical gauge. Pre-plumbed with second pickup/return for addition of generator and/or heater system.
- Fiberglass water tank (approved for potable water) and molded fiberglass holding tank with baffles, s/s deck pump out fitting, electronic remote tank level gauge and macerator pump.
- UL® listed bronze, thru-bolted, flanged seacocks on all thru hulls below waterline; ball valves on thru-hulls in boot stripe. (Marelon seacocks for Blue Jacket 40)
- Pre-wired for anchor windlass installation, bow thruster cables, fan and speaker wires throughout interior, VHF cable in mast and from mast step to nav area; messengers pre-run for pulling additional wire.
- Countertop opening refrigeration system or Stainless steel pull out drawers as an option.
- High water bilge alarm and counter.
